Brainstorm & Idea Prioritization:

The screenshot displays a digital ideation tool interface with seven main panels, each representing a different stage of the ideation process:

- Brainstorm & Idea prioritization:** The first panel on the left, featuring a blue header and a list of ideas.
- Define your problem statement:** The second panel, showing a text input area for defining the problem.
- Brainstorm:** The third panel, displaying a grid of ideas categorized by 'Brainstorm', 'Brainstorm', 'Brainstorm', and 'Idea'.
- Group ideas:** The fourth panel, showing a grid of ideas categorized by 'Group ideas'.
- Brainstorm:** The fifth panel, showing a grid of ideas categorized by 'Brainstorm'.
- Brainstorm:** The sixth panel, showing a grid of ideas categorized by 'Brainstorm'.
- Brainstorm:** The seventh panel on the right, showing a grid of ideas categorized by 'Brainstorm'.

At the bottom of the interface, there is a navigation bar with icons for each stage: Brainstorm & Idea prioritization, Define your problem statement, Brainstorm, Group ideas, Brainstorm, Brainstorm, and Brainstorm.
